Q4 - Please comment, if you wish, on the course and the professor. Explain; specific examples are helpful.

Please comment, if you wish, on the course and the professor. Explain; spec...

The professor is clearly quite knowledgeable on this subject and does her research before each class. She is also honest about the extent to which she does not know certain areas or questions asked. Slightly-more flexible assignment deadlines would have been preferred, but I highly recommend this professor to other students. It is sad to see she is leaving and that our class had such a small turnout. I think more than anything it is because she demands a lot of effort from her students, but that is a good thing! You learn so much in this class.

This was an amazing course and Prof. Uzzell was clearly passionate about the topic and tried to instill the same passion on all of us as well. She put deep thought into her courses each day, tried to draw out the deepest thoughts from all of us, and challenged us to think critically. She was tough when it came to paper comments, more so on the comments rather than the grades, but this made me a better writer overall, and I really appreciated her honesty. An amazing class!

This course and the professor was absolutely amazing. This is my second class with Uzzell and I had a wonderful time. This topic interests me and Uzzell's knowledge is unbelievable - it is so amazing and she is brilliant. I truly had an amazing time and cannot wait to take another class of hers. American Politics is my major and I believe this class helped me further my understanding on Constitutional Law and American Politics.

It was a very engaging course. I found the most helpful thing Professor Uzzell did to be calling on students to elaborate on their discussion posts. In this way she avoided cold calling but made sure that even quiet students would participate

Dr. Uzzell encouraged lots of lively participation, which I really enjoyed. I also found the course to be extremely well-organized with engaging readings and discussion topics.
